"QUAMBY" - period inspiration and contemporary class come together in this grand double-storey home to deliver a family environment of unrivalled quality and floorplan flexibility - all exclusively positioned in one of Essendon's premier streetscapes. Beyond the landscaped front garden and eternally-attractive facade, the home's refined interior showcases a large master bedroom with its own private ensuite, together with three additional bedrooms, stylish main bathroom, laundry/third bathroom and guest powder room. Highlighting its exceptional versatility is the inclusion of a dedicated home office with adjoining sitting room, as well as an elegant formal lounge and vast open-plan living/dining zones complemented by a superb granite-bench kitchen with island breakfast bar, large walk-in pantry, Zip tap and premium European appliances (Electrolux 900mm oven, Siemens induction cooktop and Miele dishwasher).
