Impressive on the first floor with high ceilings, hardwood floors and a beautiful northern aspect, this premium home reveals light and airy open plan living and dining with a sparkling kitchen featuring Miele appliances (900mm cooking appliances) and sliding glass doors expanding to a sun drenched deck within the north facing rear garden. Parents will love the primary level main bedroom suite with its walk in robe and elegant ensuite, while upstairs is all about the kids with a second bedroom suite, and two bedrooms with a shared ensuite (all with robes) ensuring each room has direct bathroom access. A compact laundry and powder room cater for essential family needs, and there's a study set up on the lower level. Well designed, this unique home is fitted with individual room reverse cycle air conditioning, ducted vacuum, an alarm system, CCTV, a storage room, a garden shed and a large lower level auto garage plus driveway parking.
